

Alaska Water Wastewater Management Association (AWWMA) is excited to once again provide an opportunity for you to gain special recognition during this year's upcoming conference at Sitka's Centennial Hall, May 3-6, 2010. To gain special recognition during the conference, we are again offering firms and businesses a tax deductible opportunity to sponsor special events during the conference.

Don't miss this opportunity to reach public health officials, consulting and environmental engineers, government regulators, water & wastewater system managers, operators, utility managers, councilmen, chiefs, and tribal administrators.

A banner will be placed at the registration booth – the first stop for all conference participants, listing all of our sponsors at the level of sponsorship. Please see below the additional benefits for your most appreciated support:

PLATINUM SPONSOR - \$2500 Includes: Logo on Banner at Registration Booth; Recognition in Conference Program (listed on sponsor page PLUS full-page ad in the print program AND listing on program website page with linked URL); Promotional insert in attendee packet; Recognition at all meal functions; Two (2) full Conference registrations with special recognition name tag ribbons for all participants from your organization.
